Read and check each item in the PARENT AGREEMENT

PARENT AGREEMENT

Please read and check every item individually. Your signature indicates commitment to all parts of the agreement.

I CERTIFY THAT: *

- I am the legal guardian of this student and the child resides with me.
- I have provided true, accurate, and complete information.

I UNDERSTAND THAT: *

- I must be a Boston resident to participate in the METCO program.
 - If my student relocates outside of Boston before or after enrollment in a METCO partner school, they will no longer be eligible for referral or enrollment there.
 - Completing an application does not guarantee that my student will be referred to or enrolled in a partner district.
 - Referral is based on eligibility for METCO, validity and completeness of documentation, and space available in corresponding grades in partner districts.
 - I cannot choose the district to which students are referred.
 - Siblings will receive preference for referral to a partner district if there is availability in the corresponding grade, but acceptance and placement are not guaranteed.
 - Referrals to districts occur between February and October 1st of each school year, based on lottery number and sequence of district requests.
 - If referred to a district, I may be asked by that district to complete additional steps (including an interview, open house, or orientation) and/or to submit discipline records and/or teacher recommendations before enrollment is finalized.
- Each student can only be referred to a maximum of one district per year. If I choose to decline enrollment in a district, my student will not be referred to other towns this school year.
- Support** Transportation to METCO districts is available from a limited number of bus stops in Boston (primarily Roxbury, Dorchester, Mattapan); I am responsible for getting my student to an existing bus stop or arranging other transportation.
